Burke discloses generating a customer path to a location corresponding to a selected product that includes (as its terminal point) at least one location corresponding to customer interest data in the form of a special deal relating to the selected product, however failed to disclose *customer following the generated path comes into the vicinity of a product in which the customer may have an interest to purchase on the way to the customer selected product.*

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
